Student Services

The ASC

The Advice and Support Centre (ASC) is the main Student Services hub and a place where students can drop in, call or email for information or advice. Students can contact the ASC for a range of matters, from questions about finances to academic advice to finding out where lectures and tutorials are. They can also advise you on how to get further support from the wider Student Services team, and make appointments on your behalf.

A-Z Wellbeing

The A-Z guide is a collection of advice and guidance for you to access at any time. It also contains resources, like revision guides, and online self-help programmes that are free for students to use.

Website: www.st-andrews.ac.uk/students/support

Wellbeing and Coaching

Our Wellbeing Advisers can help you if you need advice about your wellbeing, academics and university experience. We use positive psychology tools to help students overcome and manage their difficulties. You don't have to have a mental health concern to meet with us, we are here to help.

Our Coaching Practitioners work collaboratively with you on your personal development, facing challenges and overcoming obstacles. We offer support and accountability by helping you identify your strengths and what's important to you in order to empower change. If you're motivated for change – we're here to help you get there!

Counselling

The counselling team supports student wellbeing and mental health using a range of therapeutic approaches and interventions to help students overcome challenges and reach their goals. Our counsellors provide a safe, supportive, non-judgemental and confidential space. The support offered is tailored to suit each individual. As such, you and your practitioner will work together to agree the aim(s) of your work, as well as the frequency and number of sessions. The counselling team offers one to one support as well as psychoeducational groups. Where appropriate we will refer to other departments or services.

Opening hours: 9am – 5pm Monday to Friday all year round

Mental Health Coordination

Our Mental Health Coordinators are responsible for supporting you if you are experiencing significant mental health difficulties. We help to manage complex risk factors and provide some interventions and strategies that are effective in improving mental health. An important part of the work we do is to liaise with outside services, such as the NHS. We provide motivational support to help you fulfil your potential at St Andrews.

Wardennial Team and Halls Life

There are dedicated Wardennial teams in most halls of residence, offering a range of support services tailored to residents' needs. The team is readily accessible through daily drop-in office hours and provides an overnight and weekend on-call service for urgent situations. They also organise regular community-building social events and work to ensure that halls of residence are safe, respectful, and inclusive environments in which students can find opportunities for personal growth and development.

Halls Life extends beyond the halls of residence connecting residents with the wider University community; promoting inter-hall networks and friendly competitions as well as offering unique opportunities to explore Scotland beyond St Andrews. Through organised trips and partnerships, students can immerse themselves in Scotland's rich culture and educational experiences.

Disability Team

We work with students one-to-one to develop tailored support plans to help them thrive at university. This can include adjustments to teaching and learning. We can liaise with schools and accommodation to ensure you have physical access to teaching, learning and living spaces. We can also help arrange accessible learning materials via the Alternative Format Suite and help eligible UK students apply to DSA. We also run an Autism group for those with a formal diagnosis, seeking one or that align with Autism/ASD.

Chaplaincy

The Chaplaincy provides support for any student or member of staff, irrespective of faith or philosophy of life. It is a confidential service offering support to explore any issue at all with Chaplains – studies, relationships, faith, sexuality, health and wellbeing, bereavement, and more.

The Chaplaincy offers worship in University chapels, including a Sunday service at St Salvator's Chapel. There are discussion groups for students and staff, including Grief Groups. Chaplains and a team of Honorary Chaplains from different faiths and Humanism support several student-led faith societies, gatherings for prayer and meditation, interfaith engagement as well as a programme for international students.

International Team

We can help with visa applications, refusals and errors, and provide general advice. We also provide guidance for family and dependent visas and if your BRP card is lost or stolen we can assist in arranging a replacement. We also provide advice about working in the UK while you are studying with us and general advice after you graduate. If you would like to take a leave of absence, we can discuss the implications this may have on your visa.

Nightline

Nightline is a confidential and anonymous listening and information service run by student volunteers every night during the semester. The volunteers are there to listen to whatever's on your mind, with empathy and without judgement.

The service aims to provide a supportive and non-directive listening ear, so volunteers' focus is on actively listening to what you have to say, rather than giving advice. They are also there to find you information about general University matters, including exam timetables, or any other non-University resources or information you might need.

You can contact Nightline's trained volunteers by phone, skype audio call, online Instant Messaging and email. Instant Messaging can be accessed directly through their website.

Saints Sport

Saints Sport is passionate about the health benefits that sport and physical activity offers. Being active isn't just good for our physical health; it's also proven to have a positive effect on our mental health and wellbeing. We offer a wide range of activities for all levels of experience, ability, and fitness including:

- 52 sports clubs
- A variety of sports leagues and lessons
- Weekly recreational drop in sessions
- A modern open plan gym
- Over 40 fitness classes per week

From Aikido to Zumba, we have something for everyone! Each of our 52 clubs have a dedicated well-being officer, who's role is to work with Saints Sport and Student Services to support the mental health and wellbeing of their club members.

In partnership with Student Services, we run the Saints Wellbeing programme where students have access to a safe space at the Sports Centre to discuss any concerns they may have with a Wellbeing Advisor. For more information on our wellbeing initiatives please visit the wellbeing section of our website.

Careers Centre

The Careers Centre provides a range of services and resources to help you make the most of your time at St Andrews and to shape and implement your career plans. Wherever you happen to be on your career journey, we are ready to offer support.

For those without any concrete career ideas, we can help you explore possibilities across different sectors. For those looking to enter a particular field of interest, we can help you access work experience and network building opportunities. For those aiming for specific career opportunities, we can help you prepare applications for jobs and further study.

We welcome students from their first Semester in St Andrews – the earlier you engage with us, the better.

Centre for Educational Enhancement and Development (CEED)

CEED provides joined-up learning and teaching support to staff and students. CEED aims to help all students develop a range of professional, academic, IT and entrepreneurial skills to help them in their studies and beyond.

There are specific development programmes available for all students: Undergraduate (U-Skills), Taught (M-Skills) and Research (GRADSkills). All students can also complete the Saints Skills Builder Award, which helps to develop a range of graduate attributes employers value, or study for a free, globally-recognised IT qualification, Microsoft Office Specialist. Students (undergraduate and postgraduate) can access our Academic Development Community tutoring service, where they can book an appointment with a PhD tutor to focus on a range of academic and study skills.

Finally, we have workshops and resources to help students develop an entrepreneurial mind-set – developing creativity, problem-solving, research and resilience skills. For more information about any of our services, please see the CEED webpages.
