University of St Andrews Donor Roll

1 August 2020 to 31 July 2021

We would like to thank all benefactors to the University of St Andrews for their generous support in 2020-2021. The following pages list all gifts and sponsorship through the Development Office during the University's financial year ending on 31 July 2021. In addition to the donors listed we are also grateful to the many who give to the University of St Andrews anonymously. Donors to the University of St Andrews American Foundation, Inc. are listed on pages 26-33. Members of, and donors to the University of St Andrews German Association are listed on pages 34-35. Donors to the University of St Andrews Hong Kong Foundation Limited are listed on page 36. Legacies and members of the Chancellor's Circle are listed on pages 38-41. Leadership giving is based on gifts and pledges from August 2018.

Every effort has been made to record gifts in accordance with our donors' wishes. If we have made any mistakes, please accept our apologies and let us know so that they can be corrected.

The centre pages contain facts and figures from the financial year 2020-2021.

Donor Update

Our donors and friends support a wide range of projects that make a real difference to both undergraduate and postgraduate students, and to the wider St Andrews community. Here is a brief overview of some of the wonderful things you have helped us to achieve in the year ending July 2021.

During this year teaching and research generally moved to an online platform and digital assessments replaced in-person exams. The University worked with the Students' Association to create the Can Do programme – an initiative that aimed to combat loneliness and promote good mental health by providing safe spaces for study along with co-curricular and extracurricular events – all within Government guidelines.

Once again, your support for this initiative, as well as for the Student Support Fund and the Principal's Strategic Response fund enabled us to continue to offer high-quality learning, teaching and research. We were delighted to have our efforts recognised in September 2021 when the University of St Andrews ranked top in *The Times and Sunday Times Good University Guide 2022* – the first time

that any institution has outranked Oxford and Cambridge in this or any other domestic league table.

Thanks to your philanthropic support we have also been able to invest in strategic priorities such as a new home for Mathematics & Statistics; the Sir James Mackenzie Institute for Early Diagnosis; the refurbishment of the Younger Hall; scholarships; and 'New College' (on the site of the former Madras College on South Street) – the University's most significant capital project in three centuries. These exciting projects are set within the context of our new fundraising campaign, which aims to raise between £250m and £300m.

Thank you – we couldn't do any of this without you.

Covid-19 impact and response

As the pandemic continued to create challenges for the University our alumni, friends, parents and donors continued to show overwhelming support through donations to the Covid-19 and Winter appeals. While most staff continued to work from home, work continued in support of priority fundraising projects. This resulted in a record year for new funds raised in 2020-2021.

A special invitation from our Chancellor

You are cordially invited to join the Chancellor's Circle by including a gift in your will to St Andrews.

I have the honour to be Chancellor of this great University, and would like to invite you to join me in preserving for the future, the experience, research and facilities for staff and students alike that make this such a wonderful place of learning.

A legacy gift in your will is one of the best ways of having a lasting impact on this University. When you make this decision, I will be delighted to welcome you into our Chancellor's Circle. As a member you will be part of an inspiring community which shares an ambition to protect everything that makes St Andrews such a unique and enduring experience.

I hope you will take your place amongst the members of the Circle by leaving a legacy that will continue to shape St Andrews for decades to come.

With best wishes,
