University of St Andrews Donor Roll

1 August 2021 to 31 July 2022

We would like to thank all benefactors to the University of St Andrews for their generous support in 2021-2022. The following pages list all gifts and sponsorship through the Development Office during the University's financial year ending on 31 July 2022. In addition to the donors listed we are also grateful to the many who give to the University of St Andrews anonymously.

Donors to the University of St Andrews American Foundation, Inc. are listed on pages 31-38. Members of, and donors to the University of St Andrews German Association are listed on page 39-40. Donors to the University of St Andrews Hong Kong Foundation Limited are listed on page 41. Legacies and members of the Chancellor's Circle are listed on pages 42-45. Leadership giving is based on gifts and pledges from August 2018.

Every effort has been made to record gifts in accordance with our donors' wishes. If we have made any mistakes, please accept our apologies and let us know so that they can be corrected.

The centre pages contain facts and figures from the financial year 2021-2022.

Donor Update

Our donors and friends support a wide range of projects that make a real difference to both undergraduate and postgraduate students, and to the wider St Andrews community. Here is a brief overview of some of the wonderful things you have helped us to achieve in the year ending July 2022.

During this year teaching and research continued to be on an online platform until April 2022, when restrictions were lifted. In June we were delighted to return to the newly restored and refurbished Younger Hall for three weeks of in-person graduation ceremonies for the Classes of 2020, 2021 and 2022.

In February 2022 the world looked on – appalled – as Russia invaded Ukraine. Thanks to you, the Hardship Fund set up to support students and staff affected by the ensuing war raised a total of £175k.

It is also thanks to your philanthropic support that we have been able to invest in strategic priorities such as the refurbishment of the Younger Hall,

scholarships and 'New College' (on the site of the former Madras College on South Street) – the University's most significant capital project in three centuries. These exciting projects are set within the context of our new fundraising campaign, which aims to raise £300m.

All of these projects will enable us to continue to offer the high-quality learning, teaching and research that has been endorsed through our ranking as top university in *The Times and Sunday Times Good University Guide 2022* and in the *Guardian University Guide 2023*.

Thank you - we couldn't do any of this without you.

Philanthropic support

Our alumni, friends, parents and donors continued to show their overwhelming support during a year when the invasion of Ukraine and the cost of living crisis adversely impacted the University of St Andrews community.

In 2021-2022 the University of St Andrews raised £24.6m – the highest ever amount of new funds committed by donors. This is an increase from £14.9m in 2020-2021 which was, in itself, a new record at that time.
