University of St Andrews Donor Roll

1 August 2022 to 31 July 2023

We would like to thank all benefactors to the University of St Andrews for their generous support in 2022-2023. The following pages list all gifts, gifts in kind, and sponsorship through the Development Office during the University's financial year ending on 31 July 2023. In addition to the donors listed we are also grateful to the many who give to the University of St Andrews anonymously.

Leadership giving is based on gifts and pledges from August 2018 and can be found on pages 2 – 3. Donors to the University of St Andrews, giving from the United Kingdom and the Rest of the World, are listed on pages 4 – 29. Donors to the University of St Andrews American Foundation, Inc. appear on pages 30 – 36. Members of, and donors to the University of St Andrews German Association are on pages 37 – 38. Donors to the University of St Andrews Hong Kong Foundation Limited appear on page 39. Legacies and members of the Chancellor's Circle are listed on pages 40 – 43. Campaign Giving on pages 44 – 45 recognises donors who have given £250,000 and above to University campaigns since August 2008.

The centre pages contain facts and figures from the financial year 2022-2023.

Every effort has been made to record gifts in accordance with our donors' wishes. If we have made any mistakes, please accept our apologies and let us know so that they can be corrected.

Donor Update

Our donors and friends support a broad range of projects that make a real difference to both undergraduate and postgraduate students, and to the wider community. Here is a brief overview of some of the fantastic things you have helped us to achieve in the past financial year.

This year was a historic one for the University: we topped the league tables in both the *Guardian University Guide 2024* and *The Times and Sunday Times Good University Guide 2024* – a testament to our world-leading teaching and research and to the support of our University community.

It was also a challenging year for us. The cost of living crisis hit many of our students hard, but thanks to your generous response to our appeals, we were able (amongst other things) to fund more scholarships, provide support for those struggling with food and energy costs, and to negotiate a bus travel discount with Stagecoach to reduce transport costs.

It is also thanks to your philanthropic support that we are able to invest in strategic priorities such as 'New College' and the state-of-the-art Digital Nexus building at the heart of the Science and Medicine Campus.

These – and other exciting projects – are set within the context of a new fundraising campaign, which will be publicly launched in September 2024. They will enable us to continue to offer the high-quality learning, teaching and research that has been endorsed through our historic double first in the league tables.

Thank you to each and every one of you – we couldn't do any of this without you.

Philanthropic support

Our alumni, friends, parents and donors continued to show their overwhelming support during a year in which the cost of living crisis has continued to adversely impact the University, the situation in Ukraine is ongoing, and the world has weathered unprecedented natural disasters and socio-economic challenges.

In 2022-2023 the University of St Andrews raised £31.6m – the highest ever amount of new funds committed by donors. This is an increase from £24.6m in 2021-2022 which was, in itself, a new record at that time.
